

Our Lifeboat Crew Appeal To You

Even the most responsible and well equipped seafarer can run out of luck; so if an emergency occurs, the Roberts Bank Lifeboat will be there to assist.

Our crew of trained volunteers work hard to provide our Delta community with the best possible boating safety and search and rescue service.

The crew can do their job because of people like you who offer financial support.

We are there for you when you need us. Will you be there for us?

We appeal to you to reach out your hand to us.
We need your support.

How can you help us to help our community?

- Make a one-time donation or a monthly donation through your bank
- Make a Legacy donation in your will
- Make services in-kind donations
